We need to modify the petition

§ 3.81 Issue of patent to assignee.

(b) *After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, **must state that the assignment was submitted for recordation as set forth in § 3.11** before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20 (a)) and the processing fee set forth in § 1.17 (i) of this chapter.

So we need to
add that the assignment was submitted (we should include reel/frame if we have it)
